

Explorer 7100GX

COBHAM

Category 1 – Drive Away – Auto Point

Terminal Type (Inmarsat Gateway)	COL-LAN-SCM-1000600
Terminal Efficiency Group	Group 2
Type Approval ID	GXL0100COL-03
Modem Type	iDirect CX751 GX Core Module; Rack-mounted IDU
Aperture	100cm, Resin fiber composite
Block Up Converter (BUC)	5W
RF Band	Commercial Ka (Rx 19.2-20.2GHz, Tx 29-30GHz)
Mount Type	Drive away (COTP); Auto position roof/skid mountable
Terminal Pointing	Auto Point (AvL with Tracstar Controller)
Power Source	AC 110/240V
Management User Interface	Integrated external interface (IDU); PC web-based interface
Equipment Interface	3 x 100Base-T Ethernet
Packaging	Freight packaging
Weight	Approx. 45kg
Environmental (operational)	-30 to 51 Degrees Celsius
Wind Loading	48mph; 72mph (gusts)
Product Website	Website
